

BMBF/GSRT: German-Greek Research and Innovation Programme

Novel targets for diagnostic stratification and epidemiologic surveillance of human brucellosis: host-guided molecular study in an endemic area at the crossroad between Asia and Europe

1ST BRIDGING MEETING

BRUCELLOSIS: A CONSTANTLY EXISTING ZOOONOSIS

**Wednesday 5th of June 2019
14.00-19.00**

**University Hospital of Alexandroupolis
Dragana Campus, Alexandroupolis**

Agenda

Classroom 3,
University Hospital of
Alexandroupolis

5th of June 2019
14.00 – 19.00

- | | |
|---------------|--|
| 14.00 – 14.30 | Registration & Welcome |
| 14.30 – 15.15 | Epidemiology of zoonoses in Greece: the paradigm of Brucellosis
G. Dougas, Veterinary-Epidemiologist, National Public Health Organization (NPHO), Athens. |
| 15.15 – 16.00 | Brucellosis: vets aspects and concerns
A. Sachpatzidis, Veterinary, Director of Veterinary Services of the Region of Eastern Macedonia and Thrace (REMTH). |
| 16.00 – 16.30 | Coffee break |
| 16.30 – 17.00 | Cost-effectiveness of brucellosis prevention and eradication in REMTH area: a practical approach
D. Stathakis, Economist, HND, MA, MBA |
| 17.00 – 17.30 | Human brucellosis: immunology and clinical practice
P. Skendros, Assoc. Professor in Internal Medicine, DUTH, Coordinator of "BRIDGING" project |
| 17.30 – 18.00 | Brucellosis in the diagnostic laboratory
M. Panopoulou, Assoc. Professor of Medical Microbiology, Director of the Laboratory of Microbiology, DUTH |
| 18.00 – 18.45 | Open discussion. Health care professionals and public Q & A. |
| 18.45 – 19.00 | Conclusions |

BRIDGING meeting
